Gainesville Truck Center is an authorized Mack Truck Dealership and has been in business since 1954. Our service department offers repairs and maintenance on all makes and models of heavy-duty trucks and trailers. Our shop has the latest equipment and technology with 28 service bays and Mack certified factory-trained technicians. We offer all-wheel alignments, a new dynamometer, a full paint and body shop, and modification center. An extensive parts inventory enables us to provide prompt and efficient service to get you back up and running on time. Our parts sales force is fully trained and able to assist with any of your heavy-duty truck and trailer needs.

We have a full line of new and used trucks and trailers available for viewing anytime on our website at www.gainesvilletruckcenter.com
